Mr. William "Bill" T. Leahy of Algonquin

I was lucky enough to be connected with Bill in the sign business. Although I was never able to meet him in person, he was by far and away the best possible partner to have in the Chicago area. He knew the business inside and out, but more importantly, he cared about you as a person. His conversations made my day and he was a pleasure to work with.

Bill was the quintessential owner, he knew how to give you the attention you needed and his service was always fair and dependable. He was a “set it and forget it” type of installer. He knew what to do and how to do it. If there was a problem, he would call you after and tell you what he did to fix it. And he made you laugh at least once every time you talked to him.

Prayers to the Leahy family.

I worked with Bill for many years. Talking to him was always great, he had a wonderful sense of humor. and he was always honest. Whether you wanted to hear what he had to say or not, he didn't hold punches. They say that only the good die young, in Bill's case, that is so true. He will be missed.
