“ My Auntie Dar only entered my life when I was a teenager, but how important she became. We've always been connected in one way or another, but only met then. I loved her so much, and I believe she loved me more. She and Uncle Jim made a trip to Omaha, Nebraska for my wedding. That meant a lot more than I think she knew to both my husband and me.

We hadn't seen each other for awhile. Distance can be difficult. But my mom and Aunt Dar were sisters forever. I'll miss your e-mails and Facebooks Aunt Darlene. I'll miss you more. I love you, and one day we'll be able to see each other and have a wonderful Lorenz/Hoff family reunion. Be at peace Auntie Dar. Janet

“ Our deepest condolences to the entire Hoff family; Darlene was a very special lady; warm, friendly and sweet. She was one of the first ladies I met at Eastern Airlines in Oakbrook. Being a newbie at EAL; Darlene was always right there to help me out.

She will truly be missed by all; 'WHO LOVES BABY'”

“ Darlene was such an energetic and loving soul. I met her four years ago with her late husband James “Jimmy” Hoff at the 928th Airlift Wing Reunion in Villa Park. She was always cheerful and encouraging us to take a picture at these reunions. I will always remember her kindness and celebratory spirit which always brightens up the occasion! May she Rest In Peace.

“ To one of my favorite people ever. Darlene kept me out of trouble while we worked together at ORD. Best secretary ever!

“ Although I never met Darlene, we became friends because of "Keeping In Touch" Newspaper. I'm the lady that puts the paper together for EARA and every other month we had lengthy phone calls updated our trials of life. She was very religious about getting the Midwest Chapter's notes into paper, still wanted to travel at her age and she was quite funny about many subjects. Truly a beautiful person inside and out. I'll miss our phone calls and her contributions to EARA.

“ There are no words that can express the feelings I have towards Darlene. She was the only mother figure in my life that was always there to lend a ear or a hand and lots of hugs right when you needed it. We had many memories together on vacation and many dinners..but the best moments we shared were our special dates going to see some musicals South Pacific, dirty dancing and others. We had many special moments together and I will miss and cherish her always..She was a beautiful person inside and out .

“ Was so honored to sit at Darlene's table at a MEARA luncheon a few years back. She was one of the sweetest woman you could ever meet and the ORD Eastern employees were better people because of her. We'll miss you, Darlene. Memory eternal.

“ I would like to extend my condolences to Sharon, Guy, Troy, Dawn and the entire family of Darlene. I am so sorry for your huge loss. Darlene was "one in a million". I loved her as a friend, and respected her for all she did as an Eastern employee, and for the Eastern Airlines family for all the years since the "shut-down" of the company.

I will always remember her as "Madam President". She was a warm, wonderful and dedicated friend to all her Eastern friends. Thank you Darlene for all you did for so many years. Now my friend, rest in peace.

“ Darlene will be missed by all her friends and coworkers at Eastern Airlines. She was such a gift to all of us. We are so grateful that she started the Midwest Eastern Airlines Retirees Association so we could all retain our friendships. To say that her loss will be felt by all of us, is an understatement. Because she was such a dear person, we know she is in heaven with Jim and all other Eastern people who have gone before her.

“ I am shocked at this loss. I worked with Darlene at Eastern Airlines for 17 years. Such a gracious concerned, and sympathetic lady, and always a great listener and fun too. She was so involved in building a community amongst all the EAL staff. So loved and admired she will be missed. Terrence Heeney

“ Auntie Dar was my Mom's best friend. They used to sing 'They're off to see the wizard, the wonderful wizard of Oz'. They worked together at the airline and have MANY stories from their trips and shenanigans. Auntie Dar was an amazingly kind person. We will never forget her. Love you Dar!
