“ To Josh's son and his entire family, my heartfelt condolences.

I knew Josh for only a short time, but even in this short time, his dedication his team and his students shone through everything he did. He was a sweet soul, so eager to partner with faculty to help his students succeed. We are fortunate to have known him.

We will miss him. AIU will miss him.

“ I have waited to post something because I don't know what to say but as I am reading all of the tributes I am finding a common theme of Josh's leadership. He was a tough but soft cookie! I drove him crazy...I know I did but he still talked to me and wanted to make sure I knew that he cared. He would ask time and again how the Blackhawks because he knew I loved them. I am so sad for his son and his family. May you find peace as time goes by. He will truly be missed. <3

“ My sincere condolences to your family and loved ones. My heart breaks for your son and family. You were a huge mentor at work for me for many years. I learned a lot from you when I was training to be a ASM and SM at work. I will always remember your work ethic, smile and that laugh. I pray that you rest in peace and I pray for your son and family to find strength during this difficult time. Livia Vasquez

“ I only knew Josh for 5 years when he came over to the AIU family, but that short time was so special. Josh always had a smile on his face and a funny joke to say. I hope his family finds comfort in knowing he was such a great friend and coworker. You will be missed and always in our prayers and hearts Josh.

“ I’ll never forget the interview that I completely bombed with you. You made me so nervous. I did awful but still took your feedback and applied it to my life. You made me better without even realizing it. I went on to get a promotion but I regret not getting to work closely with you. I know that I wouldn’t have let you down. My condolences to your family. You are gone but surely not forgotten. Rest In Peace now, Josh.

“ Josh..... what can I can say. When we began working together you challenged me more than any other manager I've ever worked with. I didn't know it at the time, but you helped me grow and develop so much in the few years we worked closely together. I know you adored Connor and you were special to so many of us in the PEC family. My sincerest condolences to all his friends and family. Rest up my friend, you will be missed <3

“ Josh (JT as we called him growing up) was one of my best friends for several years in high school. I remember him always being willing to give you the shirt off his back and always willing to stand up for what he believed in. We shared many laughs and many memories in our youth. I will miss him and always think about him when I reflect on those easier days of life with us skating all over Elk Grove Village. Rest easy my friend.
