“ Like a puff of Jasmin Breeze - my does the time pass quickly:

I had the pleasure of being introduced to Nancy from Jane Bradford and Mary Romanek, my managers at Horizon Office Technologies 17 years ago. I work with over 40 vendors, but few so well represented as POS with Nancy. I was unaware that she had been with the company almost since its inception - how rare is that?

Nancy did not walk into our office to see us, she bounced in. A few marketing people stand out, not just because they are polished sales executives, but because of their enthusiasm, commitment, heart and soul. Nancy is a rare spirit and bright mind who truly wanted to help and was not afraid of pushing boundaries.

Nancy - you have passed through yet another boundary to a greater place and one we all hope to traverse in grace to see you once again. May God receive you in His warm embracing grace and bless your family with His peace of spirit.

In Loving Memory

“ My condolences to all of Nancy’s friends and family. It was my privilege to know Nancy and share a wonderful friendship with her. So many memories, great trips together, life events, some joyous and some not so joyous. But through it all, she was a friend with grit, strength, humor and beauty. I admired her, loved her and have and will deeply miss her physical presence. Rest In Peace dear Nancy. You are a beautiful Soul.

“ Wow, my heart just dropped to the floor. I've known Nancy for almost 20 years, she was our POS rep and truly an amazing women. Loving and caring and always so happy, even through her battle with illness she was optimistic and uplifting. Since she stopped being our rep about 2 months ago I have missed her every day. Nancy always talked so highly of her family and loved them so much, spending time with her sister, brother-in-law, godchildren and friends was surely her highlight as well as her cats!!

All my condolences to the family and so sorry for your loss!!

May Nancy Rest In Peace and may the family know no more sorrow.

Sincerely,
