“ *Due to the wonderful and loving relationship our sister Amelia had with Al the Cirillo family immediately respected and loved him. We shared stories,laughter,great food, and more than a few glasses of wine over the years. I will especially miss our special language of eyebrow raising. Al taught me his special brand of embracing life ~ his love for life ~ and his wisdom. I am one of the lucky ones that will carry this with me. Al,thank you and God Bless You for all the wonderful times you shared with us.*
