“ *I'm so sorry to hear about Alan's death. He and I became acquainted when he worked at Nelson-Westerberg in Chicago and I managed the IL Movers' Association. He always stayed in touch with me throughout his subsequent career moves, and we shared a love for Ruth's Chris steaks and martinis (although never enjoyed it together, sadly). Alan was quite a guy, and I'm flattered he stayed in touch with me. He'll be missed by so many friends.*

“ Alan was a great mentor, inspiration and friend. I worked closely with him for 10 years at Nelson Westerberg and Ace. I remember sitting on the beach in Hawaii at an Atlas Convention listening to his many stories. He was a true character and one of the funniest guys I’ve ever met.

He will be truly missed by all. Shaka 🙌❤️

“ What can I say its not as bright in Illinois with the passing of my old friend Alan. I have known Alan for over 20 years as I use to represent the Moving Industry in D.C. for many years and as a consequence Alan and I spent a lot of time together discussion problems and issues affecting the industry that he absolutely loved. While Alan was a very hard working industry executive he was also a friend to practically everyone he knew ,always smiling and laughing regardless of the subject matter, a real high energy guy. I could take several more paragraphs to detail what great guy and friend he was to me over many years, I will miss him. I tried many times to buy him a drink or two at many restaurants over years but he always was too quick - - " I got this Joe". Well my friend I am buying you one tonight at dinner - - " I got this Allan" .Joe Harrison

“ Oh I was so sad to hear of Alan's passing💔
Mr Mileski as I called him for a long time
Gosh memories go so far back to when he
and Pat and Kimmie and Kevin moved to
Mendham... they welcomed me into their
home and their family from the start

I worked at the moving company I think making copies ? I'm not
even sure what skill I had then but Mr Mileski found a job for me💜
I was a resident babysitter and there when Kara came home from
the hospital

I can remember driving to the Jersey shore one night after work with
Alan to meet up with the rest of the crew

He taught me how to waterski on one trip down.. actually I think his
brother taught me while he drive the boat trying to flip me 🤪

I remember his smile and “dad” humor

He loved his family greatly

He truly was a wonderful man..

“ When my kids were little and Alan lived in South Barrington with Pat and the kids, we used to go over there and go swimming. Usually Dar would join us with my two kids and my husband John. Alan always had plenty of pool toys and food. He was always so generous. He always told us to come around anytime we wanted to use the pool. Alan's always been a family man. He will be missed.

I have know Al since 7th grade, Mrs. Winkler's class at Higgins Jr High. I think Al and I were kicked out of Mr. Jones' health class together back then. Through the years Al and I have stayed in touch. He has help me with a couple of my moves in and around Illinois. He would sometimes attend our Christmas party. I am sorry he missed last year. He always brought a smile and good cheer. We will miss you my friend.
