“ *Nancy, Nick and families, I hope your many years of good memories sustain you during this time. The last sibling of our parent's generation, Aunt Alice lived the longest and was an important part of our family. I mainly remember our childhood, the tons of baby boomer cousins, Nancy always very close to her mom when she was young. I remember those days fondly and miss all we have lost. I hope we cousins find a way to keep in touch. Much love, Cousin Kathy*
