“ I had so much fun seeing Amelia every day in psych. They would draw the best doodles of rats and dogs in hats and just filled our little corner of the room with so much joy. Thank you, Amelia, for the lives you've touched and the love you brought to everyone around you, no matter how long you've known them. You are a creative, wonderful soul and I'm honored that I got to meet you. Rest easy ☐

“ My first encounter with Amelia was at gymnastics. We became close due to our parents knowing each other from a previous gym. Since we lived near each other, we always carpooled when going to practices. The car rides were always joyous and uplifting before we faced our long and challenging, workouts. She had so much optimism and had a positive viewpoint for every situation. Her unique floor and beam choreography always lightened the mood. She was so kindhearted. We love and miss you so much. Rest easy

“ Amelia was one of the sweetest people I’ve ever met. I had the privilege of meeting them in 7th grade and I continued to have a few classes with them in high school. In art class, Amelia was always creating some of the best work I’ve ever seen. They were super creative and talented. At any given time Amelia would either be creating the most detailed and realistic art ever or they would be making a cute little mouse out of clay. Despite being so talented and receiving so much praise, Amelia always stayed humble and even a bit shy about showing off their masterpieces. Amelia’s personality had always been my favorite part about them. They were always making jokes and being goofy and I loved that. They helped me through the most stressful parts of my life and they helped make the happy parts of life even better. I’ll never forget the impact Amelia made on my life. My heart goes out to their family and friends.

“ *I never personally got to know Amelia but I have met her before, they helped include me in an event that I felt like I had no part of and they talked to me and made me feel apart of it and I am very grateful. They are probably the sweetest person in the whole school, they walked down the halls and it was like a ray of sunshine was following behind them. I hope Amelia and Dshaun can rest in peace, we will miss you.* ”

To one of the sweetest souls I the pleasure of meeting, we thank you for the impact you’ve made on us. This image perfectly sums up what Amelia was to me, from the hair, the style, the accessories, and the look they gave me. Goofy and expressive. “ Absolutely no words can capture just how special Amelia is. Amelia lit up a room by walking in. They made school a thing to look forward to on a monday. They made everyone feel safe to be themself. They were my comfort person and my best friend and it is beyond heart shattering that we can't make new memories, but I will forever treasure the ones we created.

“ On of my favorite memories with Amelia would he manage Ong the team. It was so much fun and Amelia would learn new skills with me or work on them. For example my front Ariel we worked for days trying to get that's skill and it was so much fun.

“ *I met Amelia during my senior year in 2021. I am a cheerleader but I joined gymnastics that season to try out something new. I remember being so nervous to meet all the girls, but from the very first time I stepped foot into practice Amelia made me feel welcomed. She always was kind towards me and made me laugh. After the girls season finished, we got to spend more time together as managers for the boys team. Going to practices and meets with her were always a blast. Amelia is such a beautiful soul, I am immensely grateful that our paths crossed. I will forever be changed because of knowing her.*
