“ *Anna was the nicest person you could ever have known. she would always think you first and would drop everything just to come and help you. If the world was full of people just like Anna there would be peace and happyness all over. I will miss Anna so much. We all will miss the smiles she put on all are faces every time we would see her. She is up in heven because she was a angel. Irek if you read this please call me*
