Tribute Wall

“ *Mrs. Anna A. Moore of Hoffman Estates*

“ *It's so hard for me to write my tribute to my very dear and best friend Anna. I met Anna when we were 14 years old. So many memories from our high school years. School dances, variety shows, German class with Ms. Comsky, cubs games, riding our bikes to the lake (which she really didn't want to do), our first dates. And later on when we both got married and had kids we were always there for each other. Supporting each other through happy times as well as the tough times. We recently got together for brunch at Benedict's. She told me that she went there with her sister, Angie, and Angie ordered the same food as I had. She laughed at me that both her sister and I would order eggs and ham when there were other numerous unique entree choices. That day she didn't dwell on the near future. She was in good spirits and we even talked about going Apple picking. When she originally told me she had cancer I broke down in tears and thought just as she did. She's too young. I am beyond sad that you are no longer with us but so relieved that you are no longer suffering. I will truly miss you sweet Anna. And I will love you forever. Til we meet again.*

Your friend forever!
