“ *I was so very sad to hear of Anne's Passing....Although I only knew her for the past 3 yrs.... she quickly touched my heart and brightened up a room with her smile. She made me laugh...and I will miss her. May her memories of happy times bring Peace to her family.*

“ *I am truly sorry that I will not be able to attend Anne's services. I am devastated by this news and my thoughts are with her family and friends. Anne's laughter and smile could light up a room and that is how I will always remember her. A lot of my childhood memories involve her and I will always cherish the time we spent together as kids and adults. She was truly an amazing person and I am blessed to have had her in my life.*

“ I was so shocked and saddened to hear this news. I'm deeply sorry I can't be there for the wake and funeral as I happen to be at Disney World with my family right now. I cherish all the fun memories I have with Anne, being at Disney right now is reminding me of when we watched Alladin together and kept rewinding this one scene cause we thought it was so funny, we couldn't stop laughing!! Please know my thoughts and prayers are with everyone who loved to laugh with Anne like I did.
