“ Anne treated everyone like long lost family. One felt immediately accepted and loved in her presence. Her smile and laugh lit up the room. while working in her condo in Lake Forest she insisted I join her for breakfast. The table was set as if she were hosting that long lost family member. I felt special, that was Anne. Dearly missed Larry C.

“ Andrew and I shared so many special moments with Nana. Having her in his life since he was a child was an irreplaceable blessing that could not be described in words.

Nana loved hosting all of her boys for meals, especially their pancake breakfasts, which I was privileged to be a part of on a few occasions.

Prior to her stroke, Nana would take Andrew and I out to dinner, pretty frequently. The time we spent with her during those meals are moments we will forever cherish. Nana radiated positivity and love. She knew how to tell a story and gave the best advice. She made us part of her family.

Being able to introduce her to our children was very special and we knew that meeting them brought her joy. Nana smiled ear-to-ear as our toddler son Jimmy ripped ornaments off of her Christmas tree and made himself right at home. Despite her not being able to communicate as she would have in the past, we knew she was just so happy to have him in her home. He immediately become one of her boys and she would have loved nothing more than to be able to spoil and pamper him with treats and goodies. (Everyone reading this knows Nana had the BEST Fisher chocolate covered nuts)!

Our thoughts and prayers our with Nana's family, many of whom we consider to be family of our own. Thank you, Nana, for being you. You touched so many lives.
