“ *I was so sorry to hear of Spags death. I worked with him on the Holliger team. Although I was in Springfield and didn't get the chance to meet face to face much he was a good friend. I have been in a different organization for several years now but we always stayed in touch over the years. Spags was so kind to me when my mother was ill and passed. He was a very caring and giving person. He will be missed by many. Thoughts and prayers for you and your family. Jane Buis- Henry*

“ *I was so saddened to hear the news of Jim's passing. I've known him for years at AT&T as part of our team and last fall he voluntarily helped me with project work when I really needed the support. He always had kind words and was willing to help any way he could. He will be terribly missed. My sincere condolences and deepest sympathy to all of Jim's family and friends. - Cheryl Wilson*

“ Laura and family, my sincere condolences on your loss of Jim. I had the extreme pleasure to work with Jim on several projects, and he was a valued member of my PM team for a while. He was always bright, dedicated and fun to be around. It was my honor to get to know Jim when we travelled to Memphis together on a project. He spoke lovingly of your family and shared stories of your yearly trips to Italy, I think that was his favorite subject to share. I will miss him, and I keep you all in my prayers. God bless.

“ I will forever remember the fun times together. Our vacations to Vegas and especially when both Laurie & Jim visited us in Murphysboro, IL.....a day trip home and the frog incident. This has takin all of us to our knees.....a wonderful friend and husband to my little sister Laurie, and great father to his three children; Jennifer, Cara and Tony, and a fabulous grandfather to Sarah, Vincie and Charlie. Not to mention his admiration for his son-in-law Brian and daughter-in-law Amanda. I will definitely miss how he always made me laugh. Love to ALL the family from Auntie Patsy & Uncle Doug

“As selfish as this may sound “I will miss you Jim.” We got to know each other on this crazy project. Many times, together we would work late into the night. Even after a 14 hour day you could say something that would make me (make us) laugh. From all of us, we will miss you greatly.

To his wife, kids and grandkids let me share with you -- Jim was terrific to work with. If a significant accomplishment in life is “admiration from your peers.” Jim achieved that significant level of success.

We will miss you Jim

“Laura, Cara, Jennifer, and Tony,

I am so sorry for loss of your amazing husband and father. I have worked with Jim since 2012 on multiple projects; including his current project. Jim has always been a hard working and dependable ally with the knack of adding humor just when we needed it the most. The team and I miss him terribly; our memories and smiles with him have ended much too soon. Rest in peace,
