“ *Having known Tony for 30+ years, and worked with him for a big part of that time, it was easy to see what a great individual he truly was. Tony was a tireless worker, very conscientious and he would volunteer to help with any issues that came up . He was heavily relied on by many in the company when they needed extra help. What a guy - his happy personality brightened everyone's day - always!! He is missed by all his friends and co-workers and especially his loved ones. It was an honor to have him in our lives as a friend and co-worker...just a great guy.

“ *My condolences Frank. My fondest memory of Tony is when we were kids playing in your parents house. Our parents would sit in the front room talking, drinking coffee and smoking cigarettes. Tony and I would be playing with his Lincoln logs building things. As adults Tony and I would always talk about those days and how life for all of us was so simple.....*

“ Growing up on Natoma Avenue was one of the greatest things about my childhood- The DeMarco's Trocchios', Emmas' and Smith kids all grew up together on this street running from house to house pool to pool. Im still not sure anyone made a better meatball than Geri, but we were all fed well over the years! And as we grew up one by one the street got more quiet - but Tony was the one constant who would remain and help everyone as the years passed. Tony will forever be in my heart - in all of our hearts! He was kind, giving and sometimes a rebel but always loving. I will miss him squeezing my cheeks and giving me a kiss every time he saw me - well into adulthood!! Heaven gained a great angel on Thursday! RIP to the best Natoma neighbor and friend.
