“ *Simply put, Hap was a good man! We had a lot of great times at all those soccer tournaments we went to. We all enjoyed being around him and the family. He will surely be missed.*

“ *What a wonderfully welcoming, joyous, spirit Hap always had. I was blessed by his presence, even if he did tease me about being "just a kid!" My prayers remain with you, Jan and family, as I know there is a big hole left in your hearts. Jan, you and Hap made a beautiful, lovingly-dedicated twosome.  
May the peace of the Lord bring you some semblance of comfort.

“ *Our family was so saddened to hear of Hap's passing. We met by chance but our families lives became entwined in so many ways. The first time we met Hap and Jan, was at a wrestling meet at Maine West. Their son Brock was wrestling and we spent the whole day chatting. We went home and thought, "we just spent the day with the nicest people ever." We were a young couple expecting our second child and named him Brock. We never saw them again until our son Brock was a freshman at Maine West. He came home from football practice and told us his coach's name was Brock Wittkamp. We couldn't believe that our path's had crossed again. We spent the football season visiting with Hap and Jan again. Wrestling season started and Hap was our son Brock's coach. He had so much love for teaching wrestling and of course Judo was mixed in the wrestling practices. The kids had so much respect for Hap. He could take any of them and they knew it!! Again time passed, graduations happened and we lost touch but it wouldn't be the last time we would cross paths. Hap and Jan's daughter Connie started working at the school district I worked at. Connie would keep me up to date on what her parents were doing.*

*It's hard to image Hap not being here anymore but the memories will sustain you. And what wonderful memories they are.

“ A lifetime of memories come rushing back, starting with high school, so long ago, yet like yesterday. Hap and Jan's wedding where Dick, caught the garter and we were next in line to get married, on Hap's birthday. Our young families growing up together, babies side by side on their blankets...camping trips, skiing fun, motorbike escapades, celebrating !!

Being snowbound together over the big snow! So many memories of a kind man, who lived life to the fullest, raised a magnificent family with Jan.. they have so much to be proud of, grateful for all those wonderful years... So, good bye, my old, dear friend, your memory will be with us forever ❤️ Sharron
