“ Ashley,

I've been sitting here for a couple hours trying to come up with the right thing to say. How do you express the profound loss of someone so young with so much to offer? I suppose the truth stated in the most simple of ways is best; we love you and miss you and always will.

Love,

“ *I'm going to miss her so much. She always knew how to make people laugh. I met her on July 4th a few yrs ago and she was introduced as "and this is Satan" n she just went with it n said "hi I'm Satan nice to meet you" with this huge grin on her face. She was never afraid to tell people exactly what they needed to hear...whether they liked or not. She was one of the first to hold my son and was there for his birth. We went to her house for my sons first new year's Eve n got to see my old neighborhood on cops which she and the rest of us thought was hilarious. I'm really sad to see her go. Goodbye Ashley.*
