“ There’s no words to truly capture how beautiful of a soul Ava was. She never had an unkind word to say about anyone, and always knew how to brighten an entire room with her cute lil crinkly eyed smile. Anyone reading through these can tell how special of a “just a girl” she was and I’m so grateful to have gotten time to know her.

“ I was lucky enough to grow up with Ava at the lake every summer. I'll never forget your contagious laugh, screaming the lyrics to "Cooler Than Me" while tubing around the lake, having group sleepovers instead of going to our own rooms every night, and making memories that will truly last a life time. You exuded the strongest light that will continue to live on. Rest in peace ❤️

“ Ava,
From the first day I met you I knew you were a special person. You helped shape the person I am today. I will miss everything about you and I'll never forget your smile, laugh, and infectious love that you selflessly gave to everyone around you. I'll never forget the memories we had and I'll always cherish the time I got to spend with you. I remember first meeting Ava as a young girl when I was hired to cook for her family some years back. Ava had a beautiful smile and she also smiled with her eyes. She had a sparkle and a magic about her that made me love seeing her every day. She was always surrounded by love. I recently ran into her with her Mom and as a blooming young woman she never lost that special little twinkle. My prayer as Ava ascends into heaven is that we all can remember her spirit and every time we need a reminder about how wonderful life can be we can think of that spark and spread a little bit of her essence in good ways and spread her joy and smile with our eyes. Thank you for being a part of my life and fly free little butterfly. Love to the family. Xo chef Jaime
