“ Barb was my best friend since high school at Lane Tech, til today, and will always be. I'll never forget her laugh and smile and ability to have a good time anywhere. She was relentless, tell her she couldn't and she'd say - watch me! She had the biggest heart, she'd say "you know how much I love you, right? No really, AL, I mean it." She loved the who and Pete Townsend. She hosted and made great food for Thanksgiving, Christmas, Easter, and birthday parties and lived life fully. To have family and friends around was her thing. She also loved to travel and was so adventurous. I'm so grateful I met her and she taught me so much, I'm going to cherish our time together even though it was too short.

My deepest sympathies to Allan, Alexander and all of Barbara's
family. Whenever in her presence, her genuine warmth and caring ways
touched one, even if you were just introduced. Her kind of empathy and
love is ever ageless, evergreen.
