“ So sorry to hear of my good friend Bert's passing. Bert & I go back many years starting in 1969 when he first called on me at Zenith Radio Corporation and in all those years, we shared many good jokes and lunches together and I will always remember these good times and his wit and wisdom! Rest in Peace my good friend and I know we will meet again someday in that "Happy Hunting Ground in the sky"! Stay strong Tinka because I know you are surrounded by your wonderful family and friends.

Sincerely, Bob Bates

“ I first met Bert a long time ago, when we both worked with Molex. And over the years, we've kept in touch either at golf outings or our annual ex-Mole Christmas lunches. Bert was always happy. Even if things weren't going well, he still always had a positive attitude and everyone around him felt it. I'm really sorry Bert is gone and I'm so sorry for the loss that his family feels right now. But I also am sure that they'll also share a lot of funny and happy memories of Bert. What a good guy he was.

“ We were neighbors for 40 years. Our children when to school together. I remember going down the hill towards their home and chatting about all the neighborhood news, and , of course, having a short drink. Bert and Tinka were great neighbors and he will be missed.

He was always happy and smiling.

My sympathy to Tinka, Julie and Leslie on your loss.

“ I am so sorry to hear of your loss. I remember Mr. Yochim always walking around the house in his shorts, even in the winter. He made an ice rink in the back yard so we could skate. Always so kind and friendly to me. Love to you all.

“ It's very difficult in Life's Journey to find such a loyal friend for over 40 years, devoted family man and wonderful human being as Bert. He and Tinka were there for our family when Kathy passed and the O'Connor family treasures those moments. Michele and I will be there Friday to celebrate Bert's life with his family.

“ Today is very bittersweet. On the one hand, I'm sad we've all lost one of the good guys. I am proud to be named among Bert's many friends, so that's the sweet part. Bert was more than a friend to me. He was the big brother I never had.

No one can ever erase the good work and great adventures we shared. Bert taught me so much, including how to keep smiling when tough times seemed overwhelming.

There is a hole in my life today, but it's rapidly filling with the virtual movie re-playing my time with my good friend. Rest peacefully my friend. I love you, and will never forget what you've given me over the years.

It seems like I have known Bert my whole life. Like Ed Baggett Bert was like a big brother always watching out for me. Molex was male dominated when I worked there and Bert kept an eye out for me since I was sometimes the only woman. He always spoke so lovingly of "Tink" and the girls. I will always remember his infectious smile and cheerful approach in all situations. Rest in Peace my friend.
