

Mrs. Betty Matras

March 4, 1961 - October 6, 2024

Betty Matras (ne Nieman) age 63, passed away following 10 years with Alzheimer's Disease.

Betty was preceded in death by her father Fredrick Nieman. Betty is survived by her husband Mark, 3 wonderful children, and 2 grandchildren, Nick DePalma (partner Katie DeCarlo, Giovanni and Amelia), Matthew (Gabi) Matras, and Gail Matras. Additionally, she is survived by her mother, Patricia Nieman and her three siblings and their families, Patricia (Patti) Nieman, Gail (Paul) Auerbach and Rick (Beth) Nieman. She was a loving Aunt and Great-Aunt to many nieces and nephews.

Betty was born and raised in Cicero, IL and graduated from Morton East High School. She earned her RN from Morton College and found her calling. Betty worked all aspects of nursing from ER to Maternity, but her passion was working in the behavioral health field. This is where she spent most of her career. Her biggest moment of glory was when she was a care nurse for a high-profile celebrity whom she absolutely loved and remained a lifelong fan! Betty was always the life of the party, and if given the opportunity to play a joke or prank on someone she would seize it. She loved making people laugh and loved laughing herself. Betty was always a social being and if she wasn't doing something in the yard, she was out walking the neighborhood. She was a breast cancer survivor and as such she participated in 2 Avon Walk for

breast cancer events.

To quote a well-known Elton John song.

“Your candle blew out long before, your legend ever did”

“ Sad news that another friend has passed on . Sorry to hear this Rick. I believe losing your twin sister must be hard on you. Betty always was a joy to be around. Met you two freshman year of high-school and was always a better person for it. Going thru my pictures of us growing up in Cicero, one thing shows up in every one, Betty's ear to ear smile. My condolences to your entire family. Hope to see you all soon. Wally Glisson

“ Knowing Betty was such a privilege to me, from the slumber parties, cheer activities, or school events you could always count on Betty to have the biggest brightest smile in the room. She was always so caring to me when I was in her presence and treated each one of Gail's friends as family. She will be dearly missed but her spirit will live on forever in each person she Touched with her everlasting generosity.
