“ *Our thoughts and prayers are with your family during this time of mourning.*

We are hopeful that Brian's life can be celebrated for the memories and good times you all shared together. The 'circle of life' is always unpredictable and we never truly understand how and why it runs the way it does, but it is one of the few certainties in our existence that is 100% going to happen.

Pam and I are keeping all of you in our thoughts and honoring the fact we had the opportunity to be a small part of Brian's life.

“ Im very saddened to hear of Brian passing. We were childhood friends and ran around the neighborhood in our little pack. He was one of the sweetest kids, when I ran into him in our adult life, he was still a sweet guy. May eternal light shine upon him as he walks now with our savior.

“ *Brian was like a brother to me and was “family” to all of us together for many, many years at Sycamore Containers. He not only was a very successful salesman for our company but he was always very friendly and helpful to everyone at Sycamore Containers; including everyone in the manufacturing plant. He never forgot his roots. I know I can speak for everyone he worked with at Sycamore Containers that we ALL loved Brian and will miss him deeply. We are ALL very sad and may he now Rest in Peace until we see each other again. Our hearts are broken right now but he’s in good hands now. Our deepest sympathies to his entire family.*

Love You Brian.
