

Bridget Rose Kennicott

November 11, 2004 - February 15, 2017

Bridget Rose Kennicott, 12, of Carpentersville entered the Kingdom of heaven on February 15, 2017 after her long, courageous battle with Batten disease. She began her life like any other child, meeting each milestone with enthusiasm. She loved to giggle, run, climb, dance and just go fast. Bridget was a love bug known for her tight squeezes. After the onset of seizures at age three, her life drastically changed. Bridget's abilities deteriorated and she could no longer do all the active things she loved. Batten disease stole her livelihood and it has taken her body. She is now free to dance again with the angels.

Cherished daughter of David and Sara Kennicott; beloved sister of Harrison Kennicott; loving granddaughter of Harrison "Red" and Katie Kennicott & Robert "Bob" and Karen Jensen; fond niece and grandniece of many.

“Bridget Rose has and will forever be a part of my heart. I will never forget her vibrant soul and sweet face. I can still hear her little voice saying "apple" and envision her climbing on my desk, running down the hallway, dancing, and requesting Slippery Fish (song). I'm not sure how I was so lucky to be her first teacher, but it's a blessing I will never forget.

“ *Dear Dave, Sara and Harrison, I am devastated to here of the passing of Bridget. You probably do not know that she and I had a moment at the Demunno party two years ago. She and I were alone in the family room and I held her hand and sang to her for a few minutes- You Are My Sunshine , Carson and Evan's favorite . I do not think she knew I was there but she seemed at peace....I know I felt better and that was all from her. The boys and I offer our condolences and will keep you all in our thoughts. I know how hard you and Bridget fought to delay this dark day. May she - and you - be at peace. Sincerely, Chuck Krueger*
