“ *So sorry to hear of your loss, she certainly loved her family. I worked with Carla for 33 yrs, not in the same department or store later on. I was in the fleet department so, we we're always in contact at some point..*

I remember her sharing pictures of her nieces when they were little, and when they entered HS. If I remember correctly one of you were a cheerleader. (Maybe not) .

She would always give me up dates..

I had no idea she was sick. I don't live far and would have gladly been willing to visit or help in any way..

Rest In Peace Carla..

She was an awesome boss she was hard on me to get me where I am today the day she left the company we cried and she said she was proud of me for putting up with her tough love but said she was tough on me because wanted me to grow and that I did because of her I always will love Carla through our ups and downs I will and did always have respect for her.
