We were crazy teenagers but you'll always be my one true love! I was so happy when you called me in the weird hours of the night in 2019 just so we can talk again like crazy teenagers! I knew you were holding something back but it was always a blessing that we got to talk again like stupid kids! I'll always love you Cathy and I always will! RIP you crazy woman until we meet again! 💕

I love and miss you Cathy! When I read your obituary I literally got punched in the gut! I loved the fact that you professed your love for me and I did the same! I love and miss you so much 💕! You're my one and only! I don't care who you pretended to marry in Las Vegas! That was our dream baby! I loved the fact that you professed the fact that we were the only love and your idiot you married in Vegas was just someone that you wish was me! I love and miss you so much! 💕

Just one more thing my 894-6198 that was the # I called and spoke to the love of my life! I know you told me in 2019 and I told you the same that no matter who we were with, they hated our names because you were my true love and I was yours! You never wanted to send me pics of your beautiful self but after seeing your pics now I knew you were the most beautiful thing I've ever seen or known! You'll always be in my heart and soul and I can hear you say, ditto, even right before you left us! I love and miss you so much! I love you and I always will! 💕

There will always be a light lit for you! You always brighten up a room when you walked in it! Sorry for the delay to this, I just found out last night after i was looking for you and ran across this terrible news !! Just wanted to say I have always loved you!! I'm glad we kept in touch threw out the years, lost contact with you for over 8 years. The last time we where together never would have thought it would be the last time i ever hear or see you again.

I know we married to young!!

Just wish I was smarter back then, and held on to you!

You are a angel. I have always told to you this, now your spreading your wings

I will see you someday!! I wanna a hug when I do!!
