“ *Thoughts and prayers go out to everyone mourning the loss of such a great guy. He was probably the only one at the Noc that could call me in the middle of the night, and I "almost" welcomed the call. :-)* Always friendly with a gentle sense of humor. It was a honor to have known and worked with him through the years. He will be greatly missed.

“ *I worked with Charles at US Cellular. I was one of the people he got to wake up in the middle of the night when things broke down in Oregon. He had such a kind voice and I always could make him laugh. I had the honor of meeting Charles in person some years ago when this country boy went to the NOC for a visit. I came away with a new friend and whenever he called me after that we had to chat for awhile first then finally get to the point of the call. I used to always tease him that he never called just to check on me but only called me with bad news :-)* I will miss our chats. He was a fine man.

“ I was so sad to hear the Charles Mash passed away! I really enjoyed working with him at the US Cellular NOC. He was a welcoming person who loved to laugh and crack jokes. Charles was a really kind guy who cared for his co-workers. I remember him being welcoming to me and just making a lot of experiences really fun, even when work was tough. I will see you on the other side Charles!

“ I am so sad to hear this news. He was amazing. If you were having a bad day and he answered the phone you had a smile and the world was good again when you were done talking to him. He will be truly missed.

“ I have so many fond memories of my time spent with Charles. I was fortunate to be part of Charles work family. Charles always had the ability to make me laugh or smile, no matter what was going on. I will remember him as a kind, gentle man, who loved his wife and kids very much.

“ Charles was a kind and intelligent man that could relive stress with a simple chuckle while dealing with a critical outage. He was a good friend from afar and one of the few that would listen during a conversation. I will forever remember our joking and laughing at others and our selves as we saw the humor in a difficult situation. Quick with an IM just to say “hey, I saw you on line” . My deepest sympathies as I am sure he was twice the man off the clock that he was with us at work. The world lost a great soul and grind to many.

“ Enjoyed working, laughing, arguing, and just having a good time with Charles at work. He loved to brag to everyone about his family and just talk that sometimes i would be like ok Charles can someone else talk and brag about something please... Yes He is such a good man, loving husband and father, a wonderful team player who loved to help everyone at work. He will always have a special place in my heart because Charles went out his way to drive me to my mother's house to make sure I made it there safely after hearing some very sad news while at work about losing my mother and that right there to me tells a lot about who Charles is... Charles was very caring and had a very good heart and this is why he will be very missed and always be such a joy to remember him as Charles Mash. My prayers and Condolences to his Family. All in Love!
