“ *Best memory of Uncle Charlie is growing up in Fox Lake he would take me out on the boat with him and we would cruise the channels then when we got back to the house he would sketch places we saw, it always amazed me how much detail he would remember down to the smallest things. It made me feel special to go with him and I always remember how beautiful and calm it was cruising the channels with him. His artistic talent always stuck with me the attention to the details, I never could figure out how he remembered so much. I miss him dearly! I know the 3 amigos are up there watching over us and not suffering any more.*

*Uncle Charlie is One of a Kind. His infectious smile and endless jokes will keep me smiling for years to come. His artistic talent is special because it's a familiar place/thing that you can relate too. Love his endless energy to keep pushing forward, no matter life's obstacles.*
