“ We moved to Streamwood in 1998 and lived next door to the Wiltgen's for three years. These were busy times as we had young kids, new babies and we were always on the go. Some of my fondest memories are with Chris...the backyard parties, birthday parties, hanging out on the deck, and talking while we watched the kids play. We had a lot of laughs and made many memories! These two pictures are from a going away party the Wiltgen's had for us over 20 years ago. We were laughing so hard at the lunge!!! Chris was a fun, beautiful, hard working person and a total energy provider! Thank you, Chris, for all the fun times and for being a great friend and neighbor.

“ Chris and I met Freshman Year in high school and have remained friends since. When I would come to Chicago (as I live in Arizona now) we would always try to get together. My fondest memory of Chris is watching the very last 30 minutes of the Cubs game together on FaceTime when they won the World Series. We were both crying and screaming of joy as we are huge cubs fan. I couldn't be there in Chicago but Chris brought it to me and I will never forget that. On October 7th Chris messaged me saying how sorry she was for what is happening in Israel. That was my last communication with her ☐. She was an amazing and thoughtful person and I am going to miss her. Until we meet again my dear friend.

“ Her smile and laughter lit up the most dark room, her support and advice was always exactly what I needed, her love was never ending and our friendship will live on; God decided she needed her angel wings and now I have her as an guardian angel looking over me, love you forever Chris ☐
