“ *I am beyond sad! We were to work out with Craig and have been worried as we have not heard from him. Checking the obituaries led to our worst fear, that we had lost our friend and inspiration. We are at a loss for words. Craig was one of the kindest and most patient men I had had the pleasure of meeting. He was a gentle giant. He always believed in each of his clients and allowed me to do things I never thought possible. I know he loved Kat more than anything in his life. He was so proud of her and all her accomplishments!! I am so glad he got to see her graduate!! I knew Craig since Craig became a father and I know that he loved being a father more than anything. I hope his family knows how respected Craig was and how much he touched all of us lucky enough to have known him. Sending caring thoughts to all he loved and those who loved him. The Fraleys*

“ Dear Jeanette, Jen, Jim, Kate, Ryan, and Katerina,

We are so sorry to hear of our nephew Craig's passing and extend our sincere condolences.

We had an opportunity to reconnect with Craig when we visited Jeanette in July 2019 and with Craig at his training facility. Craig was still the quiet, sincere, and resilient person whom we had come to know. His chosen profession of being a personal trainer was the perfect career for Craig. His quiet demeanor and positive attitude were evident as he spoke of his joy in seeing his clients' success as he guided them through their routines. During our conversation, it was quite apparent that he loved what he did and that he cared a great deal about his clients.

When you lose someone you love, you gain an angel you know.

May you rest in peace Craig.

With much love,

Robertson's - Calgary

“ I went to Glenbrook North off campus with Craig in 86-87
Craig was a quiet soul who loved really loud and fast heavy metal.
I remember that he once had a cayman alligator living in a bedroom
of his moms house
As soon as he would open the door that gator would rush the door. I
spent some time at his place and he came over to my house a few
times
Had a great big heart and was such a cool guy
Although we didn't speak many times in recent years (I sent him a
message on Facebook here and there) I will always remember what
a decent guy he was and a good friend
Peace Craig and until we meet again
My heart goes out to his family and friends
Stay strong

“ Craig has been a part of my life for more than a decade - as an
incredible instructor and a true friend. He listened. He healed. His
soft voice gave me strength. He made me sweat. He made me
laugh. Craig will always hold a special place in my heart.

“ Our thoughts and prayers are with all of you during this difficult time.

We have a vivid memory of the family trip to stay with us in Calgary. Craig had heard of our city elevation of some 3500 feet above sea level, but nevertheless he thought he could continue with his normal exercise activities. The disappointment on his face was more than obvious when the reality was the thin air of our city had won the day. It was a testament of his perseverance when he attempted to overcome this obstacle.

May you rest in peace dear nephew with our love.

“ *I have so many memories with Craig. I can't post all of them here. I will forever miss him. He was a great friend, a great father, and just an awesome person all-around. I pray for peace for his family, Jan, Jen, and Kat. So unexpected. He was such an amazing person; soft spoken, yet opinionated; grounded, humble, kind and generous. One of the best. I am so fortunate to have had Craig as a friend and I will forever be grateful.*

“ *I have a lot of great memories with Craig in our high school years. We lost touch over the years but I remember him as a gentle giant. Built like a brick house and soft spoken. I remember Jennifer and his mother well and want to send my sincere condolences. God bless & rest in peace brother! Joe Gali*
