“ *To the Rosser Family:*

Your parents and mine were such great, good friends. I remember how much I used to like to speak with your mother. She always made me feel better, even when I was a disgruntled teen. She seemed to understand the old and the young.

She had a fabulous laugh and I recall hearing that laugh many times as she and your Dad shared dinners and drinks with my parents. As a long-time volunteer and board member for the CR library, I admired her determination and persistence as she sought to convince the public to sponsor the new library. She was one of the most intelligent people I've ever met. May her memory be a blessing. Patricia Kenney

“ *Curran was one of our favorite people. She lived next door to us in Cedar Rapids for many years. We always enjoyed talking to her as she was so joyous, smart and funny. We missed her so much when they moved. She defines the word “Great Lady”. Our condolences to her wonderful family of which she was so proud.*
