

Mrs. Damaris "Madie" Hatfield of Schaumburg

June 30, 1977 - August 6, 2021

Damaris "Madie" Hatfield, née Beltran, 44, of Schaumburg, Illinois.

Cherished wife of Doug Hatfield; beloved mother of Steven Alexander Ohl and the late William Nathaniel Hatfield; loving daughter of Miriam Beltran, nee Marcano and the late Luis Antonio Beltran; devoted sister of Tito (Anne) Beltran and aunt of Gavin Michael.

Madie left us the morning of August 6th while bringing her second son, William Nathaniel (Nate) into the world. Unfortunately, he also did not make it.

Madie was a force of nature who often bent the world to her will. Whether as a student, a journalist, or working with pre-school families, she worked hard and loved like no other. She was a planner, a facilitator, and a traveler who enjoyed being active and always moving forward. On trips, she always had the food, for the car, for the airplane, and even the hotel room. As a mother she loved with her whole heart and did whatever it took to give her son the best life possible, and had Nate lived, she would have done anything for him as well. As a wife, she was the most loving and uplifting spirit. For all her friends and family she did everything she could to make their lives better. There was no one like her as she often said. "This is how we roll. Pa Quick!"

♥ Madie and Alex with me in Butte, Montana in July of 2018... we met at John's Pork Chop Sandwiches when she came to Montana that year. She wanted Alex to try our pork chop sandwiches we are famous for! 🍌😊

“ I was truly blessed by Madie’s friendship as many can say Madie was one of a kind. Not only beautiful inside and out but super smart. I would always tell her that one day I would see her going back to journalism, TV, or even writing books. All I asked is that when she would be famous she would take me along for the ride. She would just laugh! One thing I will never forget is the reason of why she documented almost every single event in her life. She would always tell me in several occasions “The day I am not here you will be able to still hear my voice and relive those memories as if I was there”

“ So many great memories we have! I am So grateful for Madie’s desire to capture EVERY moment on camera. These past four years have given me so many fun times to cherish. My heart is sad that we won’t be able to make more memories like these but I am grateful for the ones I have. All the selfies, Snapchat’s, texts, and face times! We were the three Amigos! Madie will forever have a special place in my heart as will her sweet baby boy. My heart aches for her family during this difficult time. 💔❤️ Monique

“ My heart is broken into millions of pieces— there are no words. I saw Mari grow up into the amazing, loving, giving, gifted and intelligent young woman she became. I was blessed to invite her to England and France. She loved adventures and lived life to the fullest. She was a ray of sunshine (the true definition of her name Damaris) to all who knew her. I have a deep sorrow that will not ever heal and am so sorry for what you, Alex and the family are experiencing. All I know is God is in control of our every move and breath. He called his daughter and baby Nathaniel to heaven much earlier than we could ever have imagined. They are surrounded by saints that have passed before them. Someday, our hope and faith says, that you will meet and embrace them in heaven 🙏❤️💋 God bless you and the entire family during this most difficult time of loss and sadness 🙏🙏🙏
