“ *Danny was a dedicated letter carrier for many years. He trained many of us to become professionals at our jobs. In this sense he left a lasting impression on the lives of a lot of individuals and their families. He must have been a great husband and a good father because I know he was a good man. May his memory be eternal. Roy from the Post Office*

“ *What are we going to do without our Dan he was always there for me, we were very close growing up. What I remember is how when someone passed he was always there to help in any way. When I think back to when our grandmother died DAN and I were left at the house while everyone else went to the cemetery. There was all this food so we ate a whole bowl of waldorf salad it had been left out. We got really sick from it. Please remember he is in our prayers and memories forever.
