“ Darrice was one very special lady. I will always treasure her heart for the Lord and for others. She brought a beautiful bouquet of a dozen roses to our home when our little dog passed away. She was so sensitive and kind. I dried and saved those flowers for many years. One of my favorite definitions of grief is love persisting even when who we love has passed away.

“ *My condolences to all of Dee's family. She was a true child of God, always sharing with others her love for Jesus through morning messages from Jesus calling or motivational texts from other spiritual minded people. Her smile and hospitality will never be forgotten. I learned so much from her. Im grateful my husband Mike got a chance to meet her. God bless.*
