“ I remember Uncle Dave as a wonderful, kind man. To Aunt Peg and the girls, I'm so sorry for your heart break. Someone once said to me that God seems to always take the best. Never more truth than when He brought Uncle Dave home. Please know that your Wausau friends are thinking about you. You have my most sincere sympathy.

“ Deepest Sympathies to Mrs. Linder and family - from late night sleepovers with Lynette, the cottage, snowmobiles, Wausau to the big 80 Birthday Bash. Such a generous and knowledgeable man. He loved his family and sports. Good food, good friends and had a good life. You will be missed by many but forever in our hearts.

“ Peg, we want to send our deepest sympathy to you & your family. Don knew Dave since 1944 when they were attending St. Mary's Grade School in Wausau. They were very close buddies all through grade school, high school and their adult life. Dave was one special friend! We will miss his weekly calls wondering how we are doing. He never complained about his health issues.. He always said. "Life is Good". There are so many great memories of card playing, fishing, boating and of course reminiscing all their high school pranks that should never be shared!!
Our biggest regret is that we didn't get Dave & Peg to our sons bar at Wando's in Madison for a football game and a few cocktails.
Love & hugs Peg💕💕

“ Dave will be missed and I extend my deepest sympathy and condolences to your family. Words are hard to come by to truly express my feelings so I will quote from one of my favorite authors " Kahlil Gibran " on death. "For what is it to die but to stand naked in the wind and to melt into the sun? And what is it to cease breathing but to free the breath from its restless tides, that it may rise and expand and seek God unencumbered? Only when you drink from the river of silence shall you indeed sing. And when you have reached the mountain top, then you shall begin to climb. And when the earth shall claim your limbs, then shall you truly dance. "

“ *Dad, You will leave such a legacy in our family, But all we feel right now is the emptiness of your presence... Our hearts are broken, But only because You were the Best Husband, Father and Papa to us all... You taught us all so much, But your greatest gift of all was just, You being You. We know that you are in a better place and finally pain free, so please watch over us and send us a sign every once in a while, to remind us that "Life is Good" even though you are no longer with us...We love you so much and you will live in our hearts forever ❤️ RIP Dad*

David touched so many peoples lives with his generous ways. So many great times and memories. My heart goes out to Peg and the family at this difficult time. “*Dave was truly one of a kind and we are so thankful we were able to experience what it was like to know him. We weren't family by blood but Dave was always just like a grandfather to me and anyone who knows Dave & Peggy felt like part of their family. When you accomplish goals and milestones in life you have your parents to tell you how proud of you they are, well Dave would call me up on a random Tuesday just to tell me how proud of me he was. He would set goals for me because he wanted me to succeed and when life got hard he was there to remind me how strong I am and how proud of me he was. I recently had a son and Dave was so excited to meet him. I will always regret that they never had a chance to meet in person but I am so thankful that he will have Dave always watching over him. We are heartbroken and will miss you tremendously Dave. Sending so much love to Peggy and the entire Linder family.*
