“ Hello my name is Edward Day I grew up with David and Mike. As a matter a fact I believe I met David he was a paper boy with the daily Herald. He trained me to cover his route when he needed off or was going on vacation with his family. David was a great guy I remembered riding my bike to his house in the very early hours to stuff and bag papers for the neighborhood delivery route Sunday's were the worst lol.

My thoughts and prayers are with the family. I'm so sorry for the family's loss.

“ My sympathies to the Wilkans family. I knew David back at Rolling Meadows High School as we had our lockers right next to each due to our similar names. He was always the kindest, sweetest and most patient person, always with a kind word or greeting and often with a sweet smile on his face. It was wonderful to catch up again with him at our 20-year high school reunion. He made a point to come up and say hi and my husband, who only met him that one time (among so many other people), still remembers what a nice guy he was. I am so sorry for your loss, Julie Wilkens McMahon

“ Dave and I were very good friends back in high school. We went to Great America, bowling, Key West, FL and other fun things together. He had a warm and caring heart and I will never forget our friendship. May you find comfort in knowing that he is at peace. I'm very sorry for your loss.

“ There is a lot of memories I have of David. Growing up he was always so much fun and so caring. He was a very bright light in this world and always checked in with me as the family spread apart and didn't see each other as often :(love and prayers sent to you cousin. I hope that you are at peace and are watching over us all because we all know you were an angel on earth so you 100% were given your wings ❤️

“ My sincere condolences to The Wilkans Family. I have known Dave for about 30 years. Such a bright and caring young man. He was a extremely talented bowler and I enjoyed his smooth and accurate style. I don't think he knew how good he was. I am so happy to have known Dave and that he was part of our lives. He was special.

“ I will always remember going to the park district with David and his Dad! He would ride the exercise bike or go in the pool with us, he especially loved the hot tub!
But his absolute favorite was wherever we were going to have lunch!
We will miss you David! R I P
