“ *In Loving Memory of Dawn*

It was an absolute privilege to have cared for Dawn in the Ambulatory Care Department at ABMC. She was a kind, warm-hearted, and positive soul, always greeting each day with a smile despite the challenges she faced. No matter how difficult life was or how unwell she felt, she never allowed those hardships to dim her spirit.

I fondly remember the many days we shared laughter and lighthearted conversations. We discovered a common bond in our love for gambling, which always sparked joyful exchanges. A running joke between us was that, for some reason, I called Ralph by the name "Jim," and she found it hilarious. In turn, Ralph affectionately gave me the name "Ronda," even though it was nowhere close to my own name. These small moments of humor brought us closer, and they are memories I will always cherish.

The Ambulatory Care Department was truly honored to have known such an amazing person as Dawn. She touched the lives of all who had the pleasure of meeting her, leaving behind a legacy of kindness and positivity.

*With much love and heartfelt condolences to her family and friends, from all of us at ACD, especially myself,
Sanja (Ronda) S.*
