“ *I have so many wonderful memories of Debbie. She was an amazing friend, and I knew that I could always count on her to be there for me. I know how hard it is to be without her, but she is not gone. Her spirit shines brightly in her daughters and in the many happy times that I was lucky enough to spend with her. I love you my friend. Always, Kathy*

“ *I don't even know where to begin. There are so many memories with your mom- from the times she could have killed chris and I, the shepherd pie (half without green beans for my brother), the laughs, the times she would give up her king size bed so the 3 of us could pile in for movie nights complete with French onion dip, the way she treated my brother and I with overwhelming love. We were blessed to have known and loved her- she had a heart of gold and that continues to be present in both of you Ash and Tara. I love you both so much. She will be missed greatly. All my love and deepest sympathies, Ashleigh*
