“ *I knew Denise from Luther Village and I feel strongly that I was blessed to have met her. She was a woman of strong faith who clearly loved her family and had a spark for life. She hand fed wild hummingbirds and loved to forage for wild mushrooms with her husband. She had a variety of interests and made the world a better, more interesting place. She will be dearly missed by those she touched.*

*My thoughts and prayers are with her family.*

*Sincerely*
