“ I am so very sorry to hear about the passing of Dennis. I worked with him at Sedgwick. It was a pleasure working with him; he always had a smile on his face and something nice to say. He was a very proud husband, father and grandfather. We would talk about our children and grandchildren a lot. There are no magic words to help make this pain of loss go away; but I hope the happy memories will at least ease your pain. Dennis is truly missed and will live in my memories. I will be keeping your wonderful family in my prayers for comfort and peace.

“ It was just two weeks ago that we were enjoying Sunday dinner together; talking, laughing and enjoying each others company as we always have when visiting Denny and Sharon. We discussed the future and things we might do together. Their hospitality was always genuine and we were always welcomed with open arms. This past weekend we were shocked and dismayed at Denny's passing. We will always cherish memories of Denny; he was laid back, but quick to respond with wit and humor as the conversation warranted. Our sincere condolences to his family. We know how much he loved you all.

With love, Jerry and Mary.

“ *Kneip Family,*

I am very sorry and I am shocked by the news. Denny and I started off working at Sedgwick as cube mates. We would talk about everything from sports to the most recent news topic. Denny and I were also neighbors. When my car broke down a few years back, Denny was kind enough to drive me to and from work. He was such a selfless man and always knew how to make someone laugh. I will miss you very much buddy and the conversations we shared! My thoughts and prayers are with all of you.

“ *I am so sorry and wish it were not true. My heart goes out to the Kneip family and friends. My father and I worked with Dennis. I had the pleasure of sitting next to him. He always made us laugh and he made work less horrible. He also spoke highly of his family. There are no words to make the pain go away, but I hope stories and the wonderful memories help through this difficult time. Dennis is truly missed.*

My thoughts and prayers to Sharon and family. Cherish the memories and good times. Denny, was a great guy. Jim and I had so many good time, with Denny and Sharon, when we lived in Plant City, Fl. May God help you during this difficult time. Death is the Gate way to Eternal Life

Death is just another step,along life's changing way, No more than just a gateway to a new and better day.

And parting from our loved ones is much easier to bear, When we know that they are waiting for us to join them there. So death is just a natural thing like the closing of a door ,As we start upon a journey to a new and distant shore, And none need make this journey undirected or alone, For God promised us safe passage to this vast and great unknown.

So let your grief be softened, and yield not to despair, You have only placed your loved one in the loving father's care.

Sharon, this has given me great comfort in my time of need. I hope it will do the same for you and your family.
