

Mr. Dennis Myers of Hoffman Estates

April 24, 1945 - May 29, 2015

Dennis Myers, 70, of Hoffman Estates, Illinois.

Dennis Myers (The Original Car Doctor) passed away May 29th 2015 due complications from Congestive Heart Failure and cancer of the lungs.

Dennis started and maintained an extremely successful business for a few decades, while the Car Doctor was flourishing he was the most generous man anyone could come across. He would go out of his way for anyone he came across, whether it was a customer of his or someone close to him.

His wife and family are setting up this "go fund me" <http://www.gofundme.com/x4grww> for Dennis to reach out to anyone who can help donate to pay for expenses. Dennis fell on hard times in his last few years, he was repeatedly in and out of the hospital. There is no money in his estate and no money within his close family to pay for what Dennis deserves. He was a caring man who made lasting impressions with a plethora of people on a daily basis.

All were asking for is a little bit of help to give Dennis what he deserves, a proper remembrance for a wonderful Father, Husband, Grandpa, Father In Law and so much more. Every little donation will be greatly appreciated and the funds will go directly towards what Dennis and his family wanted for him.

The family has created this Life Tributes page to make it easy to share your memories, photos and videos.
