“ *Dear Carol, Steve and Sophia,
Our thoughts and prayers are with you and your family at this time. You are so blessed to have such a wonderful person as Dolores in your lives. There were so many things that we can learn from her: patience, kindness, gentleness, joy and love. All the fruits of the spirit. I was so blessed to have known her for the last few years of her life. I find it an honor to have been able to be her doctor and take care of her. May the Lord give you strength, peace and comfort at this time of your loss. Just know that she is wearing her dancing shoes and celebrating in Heaven!

“ *Dolores was like a second mother to us. She was a kind soul who was always full of positive energy. Dolores was strong and stubborn (in a positive way) all the way up until the end. I used to see her using her walker to walk over and water her lawn or take out the garbage, not afraid of falling. I think staying active and defying what others think is best for her kept her alive all these years. We will miss your smiling face but we know you are in God's loving arms now. Our sincere condolences to Carol, Steve and Sophia.*

“ *We were so very sorry to hear of your Mom's passing Carol, Steve and Sophia. She was a wonderful woman and such a positive person...Always there with a cheerful hello and a warm smile. We will surely miss her and our chats in the backyard! God needed a new "greeter" in Heaven and she was definitely His top pick!!! Sending lots of love to you all!*

“ It’s been a while since I had seen Mrs. Haase, but my memories are still vivid. Mrs. Haase always greeted me with the biggest smile and a hug and asked about how I was doing and what was new. Rest in peace Mrs. Haase, you were such a bright person!
