“ *I remember being a temp with Karen. That's when she met Don and they started dating. Don was a sweetheart of a guy. I'd see him pretty much everyday when I came to work since we worked on the same floor. Always a wave and a hi from him. My heart goes out to Karen and the family.*

“ *Karen, I was shocked to hear that Don had passed. I am so very sorry for your loss. He was a good man. I enjoyed working with him at various HECPAAA and emergency management events. He was a hard worker. He always had a story to tell. I will keep you in my thoughts and prayers as you go through this difficult time. He will be sorely missed.*

“ *Don was always willing to help with anything or anyone. You couldn't ask for a better neighbor. So many mornings we would wake up to a shoveled sidewalk in the winter only to find out Don had been by. Always would wave as he went by and smile. Will miss him. Our thoughts and prayers go out to Karen and his family. Way to soon for him to leave.*
