“ My name is Steve from Arizona - I had the pleasure of knowing  
Donna when she lived in Phoenix many years ago. She was not  
only beautiful outwardly but inwardly as well. I consider it an honor  
that our paths crossed even for that short time. I am incredibly  
saddened to hear of her passing. My deepest sympathies to Debbie  
and Jimmy at the loss of their sister. She was truly a special Lady!

“ Hi I am your cousin Ross. You will remember me as Bimbo. I was quite young last time I had seen you, however, I still see those young faces in my mind. The memories I have of all three of you are joyous! I too share your loss of your beloved sister. I wish to offer my condolences and tell both of you of my love and support. I truly wish I was there to hug you both.

“ My heart is so sad after hearing that Donna is no longer with us. I'm so sorry for you Debbie and Jimmy for the loss of your beautiful sister. Even though I haven't seen you guys since our youth, your family has always held a special place in my heart. I was always so happy when the Campise's came to the Anzelone family events. I still remember late night laughs and scary stories at sleepovers at your house in Morton Grove and dancing to your juke box while your mom looked on. I will always cherish those memories. May all your fond memories turn your tears to smiles!

*My deepest sympathy and love to you,  
Your cousin Dianne (Anzelone) Boutelle*
