“ I remember being in chorus with Dorothy for years. She was always so sweet and always had the biggest beautiful smile. Even to this day she would say “Sim, you were always so sweet to me and treated me so nice and I love you for being you” Even after the lost of Amber she would always try to encourage and uplift other’s. She will truly be missed.

“ Dorothy and I met because of our children... Her daughter Amber had a Brain Tumor and went to Heaven. Amber was my son Tyler's age. Tyler is a Brain Tumor Survivor. When Tyler was diagnosed, Dorothy took me under her wing and let me know what to expect. She was right there with her kindness, caring, love and prayers. She had a "heart of gold" and she was a HUGE Childhood Cancer Advocate. Always helping others... She is now in Heaven with her beautiful daughter Amber. I am sure Amber greeted her Mom when she was called home and they are having a joyous reunion. Dorothy and Amber please send Paige some Heavenly SIGNS! My Thoughts, Prayers, Condolences and Love are with you Paige... ❤️

“ *Dorothy was amazing with the tragedy DIPG that took her beautiful daughter Amber... This journey went around the world with such love and compassion that touched us all... We had a connection due to the loss of our DIPG Children to this dreadful disease... Dorothy was such an advocate for Amber in our DIPG Community... It was such a shock to hear that she had died... Sad Hugs from Australia and our DIPG Community... Thinking of Paige, with sorrow and care...*

“ I am so sorry for your loss. I knew Dorothy going all the way back to Elementary school. My favorite memories of Dorothy were when we in Girl Scouts together. I remember giggling all though elementary school. I believe she was embraced in heaven by all of angels that have been watching over her. I hope she has found peace.
