“ My deepest condolences go out to the Stusowski family. I am greatly saddened by this loss, and pray to God that solace shall find your family in these times. I have been a friend to Dariusz for more than two decades. During my time with him, in many conversations, he has spoken fondly, with Love and tender affection, for his mother and father; about the courage it took for Edward and his wife to uproot their life in Poland, in search of a dream and in pursuit of the opportunity that life could afford here, in the states. If my recollection is correct, I believe Dariusz had told me something to the effect that: Edward had arrived in the U.S.A., with a single, green, twenty dollar bill, rolled up in his sock... and that his family has built everything they have... through persistence and determination. Edward's fortitude has fostered a profound love of country, wellspring of patriotism, and an indelible moral compass, within Dariusz, and the Stusowski family - with surety. Edwards qualities are bedrock instilled, and will continue to be passed down for future generations to come. Dariusz, I know how much your father means to you. The majority of the times we talked on the phone, you had just spent time with your parents, or were on your way to meet them somewhere. Your family has always been active and busy. You spoke often with your father, and he has been a wonderful role model, and a guiding light. As it is, it shall ever be. I wish the Stusowski family well. I wish I lived closer. But for all of us who care about you, please know that we are there for you, however we can be. May peace be with you today.
