“ I'm grateful that we reconnected, that we shared some fun and laughs at reunions, in Key West, and just hanging out. Rest in peace dear Eileen.

“ Since our class reunion Eileen became such a beautiful, renewed friend to me! We had lots of memories, shared many events from that point on, we travelled together and sometimes talked 2 and 3 times a day a few years ago. I miss her. I wish her peace and I pray for comfort for all of the family. She was a kind, fun, loving and Godly woman who was generous beyond her means. I know she was madly in love with her grandchildren and so proud of them and her kids! Love to this beautiful family !

“ Eileen and I go back to grade school. Life got in the way after H.S. and reconnected thru reunions and so glad we did. So sad to hear of her passing. She loved her family and talked of them all the time. My condolences to all, she was a fine lady.

“ Very sorry to hear of Eileen's passing. My sincere condolences to the entire family. First met Eileen at Audubon back in elementary school. Reconnected over the years through reunions and friends. Shared all sorts of memories and had many laughs. May she rest peacefully.

“ *My condolences to the Goetz Family. I am so sorry and sadden to hear of her passing. I have known her my entire life as 'Honey' and have always called her fondly as such. We spoke many times via Facebook and was so happy to connect with her again. I am the Pomrening's oldest grandchild who grew up on Hoyne. I will forever cherish those memories of Daisy (she was Honey too), Ralph, Ron and Eileen (my Honey).*

May she rest in eternal peace and may you all find comfort in your fond memories together.
