“ *Liz, you were the best friend anyone could have, although we were thousands of miles apart it didn't feel that way. We've shed tears together, but mostly we have laughed and that's how we will remember you for your smile and laughter. Family was everything to you and your love for Martin and the boys and their wives will remain with them and all the memories they have with you.*

*You had a big heart Liz, which is why so many people loved you and will miss you..*

*RIP Liz, gone too early but forever in our hearts and thoughts.*

“ Liz was totally dedicated to her family and friends. A wonderful wife and partner to Martin, a proud mother of three boys - Chris, Marc & Sean - and their wives and families. She offered amazing support to everyone and her generosity was incredible. Liz touched so many people's lives in so many ways that she will be sadly missed by us all. Her enthusiasm and humour were infectious, and reflected the love and caring that she showed us all on so many occasions.

*I was proud to class Liz as my friend as well as my sister-in-law and have such wonderful memories of the times we shared that I will cherish forever.*

*RIP Liz you're forever in our hearts x*

“ *I knew Liz for many years in fact since I was school age when she was my skating coach. She lived with her parents at The Sportsman in Preston village at that time. Skating & Liz were a massive part of my childhood and as I grew older she became a friend not just my coach. She was so dedicated to ice skating & her pupils. After she & Martin moved to Canada we kept in touch & I visited them whilst they lived in Gimli near Winnipeg. Christopher was a toddler at the time & Liz was pregnant with Marc I think. She spoke so proudly of her boys when we spoke in later years. Liz was a lovely person whom I have very fond memories of & I'll will never forget her. Rest in peace Liz. Love Andrea Knight*

“ Elizabeth , was not just my sister but she was everything to me , she was my best friend, my confidant , and my partner in crime , we fought and argued, but she was always there , so many miles apart but so close in our hearts. Martin was her husband ,friend and father to there beautiful sons, Chris , the serious one , Marc the naughty one and Sean her baby , she was so proud of them all, and when the time came for there partners to join the family she gave them so much love and friendship. She was so proud to be a grandma to Jake , and so excited for Marc and Nicky , I know she will be watching over all of you .

Liz skated into so many lives and had friends close and far away, but everyone's lives that she touched was enriched through her kindness and laughter

I have been blessed with the best sister anyone could wish for , and I will be forever grateful that I had her in my life for all the years we had together. She was also a much loved aunty to my children and they are going to miss her so much .Taken from us all too soon , but left us with so much happy memories and laughter

Bye for now sis, hope your enjoying your nana juice , love you so much, and some day we will be together again..

Your loving sister Roselyn
