“Pani, you will always stay in my heart. You are an amazing, wonderful friend. I will always remember your sense of humor, your zest for life and your love of travelling. I will treasure our prayer times together and will remember how brave you were as you faced uncertainties of your condition. I will never forget when things got rough during your chemotherapy, you would say, "fight ah.. ano daw sila lang ga kaon kan on bah...And we both laughed out loud...I love you, my friend and will surely miss you.
