“ *To Fern's family...
I am shocked to learn of the young brother's crossing the River Jordan...he was so full of living...
Last time I saw him was on June 20th... when he gifted me one of his paintings...we had many conversations...about his poetry and art...sending videos playing his guitar or painting...at all hours of the night...
It is sad such young talent has moved on to the next realm... our Father Creator called his son home much too early... May be he accomplished his journey in this corporeal existance...
Brother Fern was greeted by our ancestors and taken to sit at the table of the immortals...
Rest in Power...
