“ *Dear Chuck and Family, It is very hard to say much at this time. Florence was my dearest friend and I will miss her more than I can say. People tell me, her suffering is finally over, or she is heaven now. I say this to you Chuck, knowing it really is not much comfort. But knowing how much Florence was loved and remembering her big heart, her warm smile and most of all her cheerfulness even through all of her pain, hopefully, this will bring some solace and ease the pain. I wish with all my heart that I could be there with you and your family, but that won't be possible. Chuck, please know that you will always be part of our friendship and I will keep in touch as I did with Florence. She was loved so much and will be missed. Sincere Sympathy, Love, Ed and Terry*
