“ On behalf of the Cruz family, I send you our condolences, love, and support. Still have memories of your Mama packing all of us in the old station wagon and her driving. In the summer, she would bake & offer her rhubarb pies (she grew the rhubarb herself in the back garden). All those weekends & holidays we'd visit your house care of your Papa's & your Mama's invitation. I must add a lot of times we'd arrive with all of you dancing with Soul Train on TV at full blast (how did your parents put up with that, LOL!). Last but not least, she incessantly invited any one passing by to sit down and listen to her play the piano (once she mastered a piece, of course); I knew it drove most of you crazy. Good times all and we have your Papa, your Mama, and all of you cousins to thank! Ingat pa lagi! Roel
